Hey Lyn,

I'm sorry to just get back to you. Since we don't take up tickets for the event, it's hard to know exactly how many people were there, but we estimate somewhere between 8-10,000 people throughout the day.

Please let me know if you need anything else.

Thanks!
Katie

Hi Katie,
Hope your are well! I am following up to see if the committee was able to provide an estimate of attendance for Do Dah Day.
We appreciate your help since we are required to include this type of info in our annual report to ADEM.
Thanks very much,
Lyn

Hey Katie,
Was the committee able to determine an estimate for the number of people who attended Do Dah Day?
Thanks,
Lyn

Hi Lyn,

I don't have an estimate yet, but we are meeting next week and I should be able to let you know then!
I'm glad you were able to get some good outreach. We're happy to have you.

Thanks!

Katie

Hi Katie,

Do you have an estimate of the number of people who attended Do Dah Day this year?

Thank you again for including us in this event! We talked to lots of pet owners, distributed poo bags, invited people to play the poo toss game, and gave away oil and grease recycling containers and backpacks. We really appreciate this opportunity to provide information and resources to pet owners.

Lyn

Hey Suzanne,

Thanks for handling the signage for us again this year. Yes, I can drop off some pet waste bags, and I understand about the flyers. We sure don't want them to become litter!

I will ask Katie if she knows who is handling the stage announcements and see if we can get the below message in the rotation.

Thanks again for all you do to get this information out to pet owners!

Lyn

Hi Lyn,

Thanks for following up! I still have plenty of the port-o-potty posters to put up. I think we could use some rolls of baggies to handout in the parade if Someone could drop by on Friday afternoon. I should still have flyers from last year. They are a little awkward to hand out in the parade so may not use this year. Last year, I had some at the parking fundraiser the Luthern church did for us but they aren't doing that for us this year.

I have not tried to coordinate with DDD board this year so haven't ask them to make announcements for us. If you have any contacts, could you ask them for us? Something simple like:

"Please help keep Highland Park poop free by cleaning up after your pooch! Baggies are available at the JeffCo Storm Water management's booth #14 and at the two doggie waste stations supplied by FIDO volunteers and the Highland Park Neighborhood Association."

Thanks!

Suzanne

Suzanne,

Do you need more signs for the port-o-potties? I just received the attached vendors map from Katie Garfinkle. Looks like there will be only 5 port-o-potties this year, and of course the event will be focused in Rhodes Park only. I think that we are going to be in section 14 given that we are classified as information vendors.

We will have plenty of pet waste bags and flyers to distribute, so let me know what you need.

Thank you very much for your help with getting this information out to pet owners!

Lyn

Hey Wonderful FIDOs,
Thanks so much for agreeing to help us with Do Dah Day again this year! Just let me know if you need signs, and we will make sure you have tape for the signs and pet waste bags to distribute.

Hi Lyn!

Yes, I am pretty sure, FIDO can help again this year. I can probably put up and remove the portotoilet posters again. Not sure what we will do about the parade but, hopefully, a few of us can pass out baggies again and I can parade my bucket and scooper. It should be easier this year since there is on,y one park involved. I will check my stash of posters from prior years and let you know if I think we need more.

FYI, We are planning our annual flaggin and baggin campaign prior to DDD.

Thanks for getting in touch!

Suzanne

Hey Suzanne,
I hope that you and your family are doing well! I am reaching out to see if you and your fellow FIDOs will be able to assist us again this year by placing signage on the port-o-potties for Do Dah Day. I have confirmed with Katie Garfinkle that we will have a table set up in Rhodes Park Saturday May 18 for Jefferson County/City of Birmingham staff to distribute materials and pet waste bags. If your group can assist us again this year, that will be great. Please let me know if you need more signs, and I know that you will need tape. Thank you!
